Five girls, five boys, got Arabic, says Reem.

Reem, I love Arabic, really, really, really.

Note: When she wrote this in her KG2 spelling, I loved it. It was quite nice, but I transcribed so we would always remember what she wrote. Unfortunately, she misunderstood my intentions and erased and rewrote...

School

We learn Arabic and English.
Here are all the doors into my school. He is sad because he can't get in the school. said D.
This is my school. It has three levels or floors. Arabic class is on floor 1 and English is on floor 2.
My school I love.
